Speed Leading

How to Become a Better Leader, Faster

Leading people is tough, especially in times of change. Everyone has an opinion on what makes a great leader, but the real question is: what's the fastest way to become one?

Ask a leader of leaders.

Troy Hazard is a business veteran who has founded, built, and sold 14 companies over a 30+ year career. His entrepreneurial excellence earned him one of the most prestigious leadership roles in the world — Global President of the Entrepreneurs' Organization, a group of elite business leaders employing 1.7 million people worldwide with combined revenues of $160 billion.

In short, Troy has proven himself at the highest levels of leadership on the planet.

In this session, Troy reveals why the speed of your personal evolution as a leader directly determines the evolution of your business, and the people who depend on you. You'll walk away more focused, balanced, aware, and effective, armed with real-world strategies to maximize your leadership impact — faster.

You'll learn how to:

- Recognize and accelerate your own leadership evolution.
- Lead from truth, not fear.
- Embody the 4 key character traits of a true leader.
- Hire, inspire, and emotionally engage your team.
- Build a culture of conscious collaboration.
- Align personal growth with business growth.
- Lead — with speed.
